## About This Game

Infinite fall is an indie game with a mechanic well known by most moderately experienced players.

In this game you will face a free fall at high speed. Thanks to the fact that you can move you must avoid all the obstacles that you will face in your fall.

The map is generated in a completely random way, that helps create a better experience for the players, making every time you play you feel that you are facing different levels.

What to expect:

-Actual Score and Highscore indicator
